EXPERIENCE

INTERFACE ENGINEER

SOLTECH - ATLANTA, GA

JULY 2021 -
JUNE 2025

Technologies Used: HTML, CSS, JS/TS, React/Next.js, Vue.js, PHP/WP, Node, Next.js, Nest.js, React(React Native), Docker, AWS, MS Azure, CI/CD, MySQL/PostgreSQL/MongoDB, Git/Github

Developed responsive, user-focused web applications across diverse client industries. Maintained and enhanced Soltech's flagship site on WP Engine while delivering scalable front-end architectures using React, WordPress, and modern JavaScript frameworks.

- Partnered with cross-functional teams—including design, marketing, and backend—to deliver performant, maintainable code.
- Integrated third-party APIs and automation tools that improved content workflows and reduced manual updates.
- Implemented reusable component systems that standardized design patterns and accelerated new project launches.

Software Engineer

EXPERIENCE

SENIOR WEB DEVELOPER

TACTIC EDGE SOLUTIONS - ATLANTA, GA

SEPT. 2020 -
MAY 2021

Technologies Used: HTML, CSS, JS/TS, Angular, WordPress, Elementor, WP Engine, Git/Github

Expanded technical breadth while launching and maintaining multiple WordPress-based marketing and application sites. Collaborated with product teams to develop new customer-facing features and improve user experience through design mock-ups and front-end enhancements.

- Implemented optimized WordPress themes and plugins to improve site performance and SEO visibility.
- Introduced UI refinements that increased conversion rates and user engagement on key client properties.

SENIOR WEB DEVELOPER

GARDNER-WEBB UNIVERSITY - NC

DEC. 2015 -
SEPT. 2020

Technologies Used: HTML, CSS, JS, PHP, WordPress, C#/.NET

Served as university-wide web development lead, delivering digital solutions for academic, administrative, and marketing departments. Managed full project lifecycle—from requirements gathering through deployment—for new site sections, database-driven applications, and marketing campaigns.

- Launched redesigned enrollment landing pages that supported measurable growth in student applications.
- Developed custom CMS modules to streamline content updates for non-technical staff.
- Ensured accessibility and performance compliance across university web properties.

EDUCATION

B.A. in Professional Writing

WESTERN CONNECTICUT STATE UNIVERSITY - CT

2008
